Dear Guardians,

The age when students enter in school is very important and sensitive. If in this period students are neglected and uncared their life ruin.

Our institute takes utmost care to mould our students in such a fashion that they can stand on their own feet. We provide all necessary helps to young minds who really want to do something worth in life. Self praise is no praise for we believe in our earnest labour and devotion to the committed task.

I hope the school will justify its stand by its discipline, guidance, honest labour of Principal & Teachers. Discipline and high thoughts among students are the reasons of the good name of this school.

Dear Guardians,

Necessity of education and good guidance to the nation builders has always been advocated. Child is the father of nation is an intucing dialogue which teaches us to train our young generation in a guided tone. High school is the age of teenagers and in this period the mind of this age group is poisoned through various means of cheap magazines and films. No doubt proper guidance, control and as well as the development of constructive thought is necessary among students. More over this is the day of competition. Scientific development is in its rampant growth. To beat the world and to impose ones identity in fast growing world only proper and the best teaching and guidance is necessary.

This institution Sadar Alam Memorial Secondary School is the only institution, which has tried its best for quality production.

The honest labour of teachers and faith of guardians in school is necessary for better result, what more is the hard and sincere labour of students are needed for the bright future of any institution. I hope that constructive help will surely be given from your side.

The only desire and craving is that every moment of my life spend on the career building of my students, whom I love heartly, so that they be able to face all types of the competitions in life.

INTRODUCTION

Sadar Alam Memorial Secondary School affiliated to C.B.S.E. New Delhi is founded in 2001 imparts co-education to the students from class I to XII. The syllabus of this school is based on C.B.S.E. New Delhi. This institution is being run and guided by ALP SANKHYAK VIKAS PRATISTHAN KENDRA NALANDA, a society registered from Bihar Government under the society Registration Act 21, 1860. It is a minority High School and it functions according to the norms of the PRATISTHAN and S.A.M. Secondary School. This institution has been named in the memory of late Sadar Alam, the founder president of PRATISTHAN and a renowned social worker of this town.

The school has been granted Affiliation from C.B.S.E. New Delhi. The affiliation no. is 330221. We provide all modern and technical skills as video teaching, computer, library, practical facilities etc. to the students. The school organizes seminar, symposiums, science quiz, shishu mela, excursions tour etc to develop the hidden qualities of the students.

OBJECTIVES

In the new circumstances of modern life where a thorough change and reform is needed, it is felt that the institutions imparting education are not up to the mark. Apart from that Bihar Sharif is an extremely backward and undeveloped district town where the students of the minority and backward classes utterly fail to receive good education and hence remain deprived of bright career. In keeping with such a view this institution came into existence. The main objective of the institution is to enliven the religious and lingual international spirit and to retain and cultivate, the tradition of co-education among the students. Moreover, the institution possesses its singularity in producing the students of outstanding merits.

MEDIUM OF TEACHING

Medium of teaching is English and Hindi. Separate sections of Hindi and English are provided. The students will have to study all the books recommended by the institution. English is the language of conduct and conversation.

WAY TO GET ADMISSION

Students who seek admission, buy Registration Form from School Office in the month of December. In January & February admission seekers have to face an admission test. Students of Nursery and K.G. get admission without facing test.

UNIFORM OF THE STUDENTS

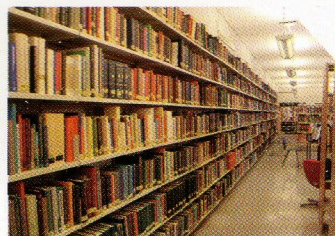

No student will turn up in the school campus without being in uniform. For boys, white shirt, white pant, white socks and black shoes are recommended and for girls white salwar, white sameej and white dupatta are recommended. Junior girls may attend the school in white skirt & shirt. Tie, belt and I-Card will be supplied from school on charge.

EXAMINATION AND DAILY ATTENDANCE

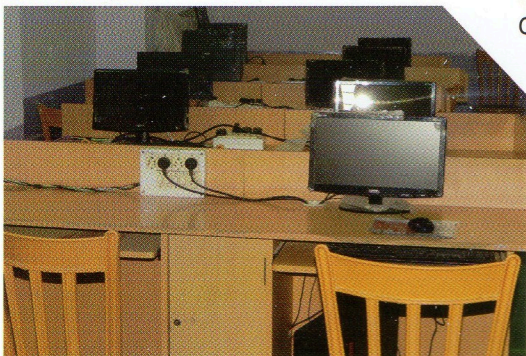

Four formative assessment and two summative assessments are held every year to assess the students. 80% attendance is compulsory to appear in SA II. Guardians are informed regarding absence of their wards through messaging system.

LIBRARY

Library is the heart and soul of the institution. Our school possesses sufficient books at the disposal of the students.

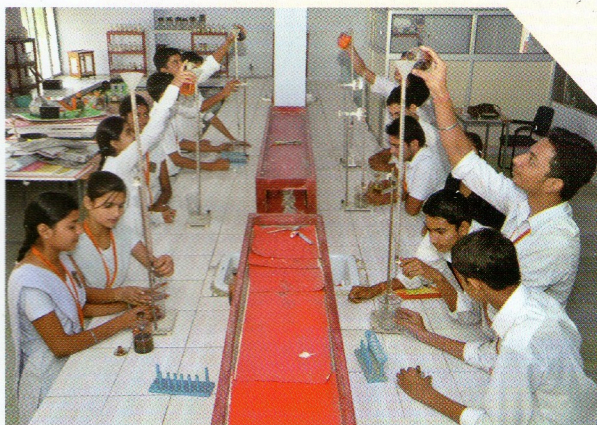

COMPUTER

Computer occupies an important place in the modern age of Science. Each student of our school get computer teaching as a curriculum of the institution.

SCIENCE PRACTICAL

Our speciality is regular science practical. It is often regretted that the schools have almost stopped conducting science practical which is of course the greatest requirements to the students who will later call themselves a scientist.

GAME AND SPORTS

The school organises sports meet every year. A part from it indoor and outdoor games, athletics and other sport events are also organized on the District Level and selected students are sent for state participation.

EDUCATIONAL PROGRAM

To bring about all round development in the personality of the student a lot of co-curricular activities such as music, debate, speech, quiz etc. are organised. Special attention is given on the general awareness of the student by conducting programmes like Math's Olympic, General Knowledge and Intelligence Test, Formation of Literary and Scientific Councils etc.

The institution usually hold seminar in Science paper that includes the lectures of eminent professors and discussion of the students on problem related to the topic concerned.

EDUCATIONAL TOURS

Every year we organise educational tours of different places which have Historical, Geographical & Scientific importance. All students usually take part in these tours. Special marks is awarded on the collections and display of the specimens which are collected by the students.

VISUAL CASSETTES DISPLAY

For the first time in the town we have adopted the visual cassettes display as a means of teaching science based on N.C.E.R.T. The method has gained in such a way that many knotty problems of Science have been made easy and convincing to the learner.

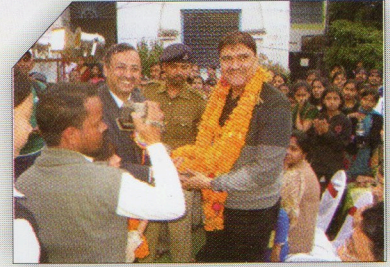

PERSONAL INTERVIEW

The school has its own diary to chart down the students academic progress and his personal problems to the subject concern. The institution has a friendly interview with the students and gets down both, his achievements as well as his lacking, special classes are organised on a very low cost. Guardians are also invited in a special meeting to inform about the progress of the students.

CULTURAL ACTIVITY

The school is renowned for its cultural activities. Every year cultural programmes viz, drama, one act play, songs & dance programs are organized in the school. All national programs such as Independence Day, Republic Day, Teachers Day, Children's Day etc. are organised in large scale.

DISCIPLINE

Unity and discipline of which the school boasts of, is observed strictly. A severe penalty may be imposed on the student breaking the school discipline. What more the school will try its level best, to help the students to be disciplined not only in action but also in thought. To maintain discipline a separate code of conduct is also signed by the guardian and student.

SCHOOL FEES

The school fee is fixed by the managing committee of school. It may be changed or altered with prior information to the guardians.

Every year management guardian meeting is held to discuss the yearly budget.

HOSTEL FACILITY

The school provides hostel to its students in a very spacious place and organized manner. The hostel facility is provided by separate agency which is approved by school administration. The hostel charges will be given by students to the agency directly.
